**Raw materials**

BOPP is short for "Biaxially Oriented Polypropylene", meaning two-way tensile Polypropylene film.

PE, short for polyethylene, is a kind of thermoplastic resin, polymerized from ethylene.

Aluminum foil is a kind of hot stamping material which directly presses a aluminium metal into leaflike film. Its hot stamping effect is similar with the pure silver foil. So it is also called false silver foil.

PET, short for Polyethylene terephthalate, which chemical formula is  $-OCH_2-CH_2OCOC_6H_4CO-$ , is high polymer, producing by dehydration condensation reaction of the terephthalic acid glycol ester.

Copperplate plays an important position in gravure printing, packaging printing, electrochemical aluminum hot stamping. Operation staff must be familiar with the process and control each step strictly. Otherwise it is easy to happen quality accident.

## 1. What is your MOQ?

A: The MOQ usually is 10,000pcs-50,000pcs depend on the package dimension.

## 2. What is the lead time?

A: It is 15-18 working days as common.

## 3. Is there any print mould cost for bags?

A: If the bag need any printing, the print moulds fee will be charged.

The number of printing mould depends on the color of the printing.

#### 4. Is it a sample available?

A: Yes, we can provide free stock samples with same material for your reference.

For same size, we can make the clear bags for you to test it.

For design and color, we can send you the design proof to confirm.

The above are free, only shipping cost needed. If indeed to the make pre-production samples with printing, the print mould fee need to be paid all besides the sample cost.

#### 5. For artwork design, what kind of format is available for you?

A: AI (Adobe Illustrator), CDR or PDF, as long as it is editable.

We use CMYK pattern, color could be CMYK + white + pantone color.

If you still not create artwork, we can offer blank template for you to make design on it.

#### 6. Why us?

A: We are the manufactory specialized in printing & packaging more than 15 years, we have own factory and can offer you direct price. Your business relationship with us will be confidential to any third party. We are trustworthy, work with us, your business and money in safe!

Welcome your inquiry, we will provide you with satisfactory service!
