WAIST TRIMMER

Enhance your workouts with the Fitru Waist Trimmer. Designed to contour around your waist for a comfortable fit while providing high flexibility and support during your exercise. Features an inner lining that uses anti-slip grid technology in order to repel moisture and stop the trimmer from slipping. Lose weight faster with the Fitru waist trimmer!

HOW TO WEAR

Align the waist trimmer to rest against your skin. It may be worn over clothing but will not be as effective. Wrap the waist trimmer around your body. Stretch one side of the belt around your stomach and then wrap the other side around.

HOW TO USE

This waist trimmer will work more efficiently when worn during exercise. It will increase your core temperature while promoting thermogenic activity and sweat release.

HOW TO CLEAN

Spot machine wash. Do not tumble dry. To clean, hand wash with a mild solution of soap and warm water. Rinse thoroughly to remove all soap residue. Do not wring product to dry. Allow to air dry before beginning use.
