

The image displays two coffee bags from Tharatain Coffee Store. The bag on the left is a large, upright, light-brown paper bag. It features a central graphic of coffee-making equipment (a cup, a French press, a manual grinder, and a kettle) on a brick wall. Below this, the text 'ذرتين للقهوة' (Darteen for Coffee) is written in large, stylized Arabic calligraphy, with 'Tharatain coffee Store' in English underneath. At the bottom left, there is contact information including an email address and a Twitter handle. At the bottom right, there is Arabic text providing the store's location and phone number. The bag on the right is a smaller, similar bag lying flat, showing its back. It features a detailed, dark-colored illustration of a traditional building with a dome and minaret, likely a historical site in Saudi Arabia.
