Certifications & us

Shenzhen Panxin Industry Co., Ltd. was founded in 1999, specialized in the production and export of various kinds of plastic packing bags. Our workshop area is more than 2,000 square meters with a beautiful environment, advanced computer controlled printing equipment, packaging equipment, manufacturing supporting equipment and superb printing technology, as well as a professional service team, and a modern enterprise management mode. What's more, we have got independent export and import rights.

FAQ

1.Are you the manufacturer or trading company?

Answer: We are industry and trade integration.

2.Which style bags do you produce?

Answer: Bags can be produced based on your requirement. Please advice material, thickness, size, color, style, quantity, relevant pictures and others.

3.What kind of artwork design format is available?

Answer: The popular format is AI and PDF.

4.Why should I choose flexible packaging bags instead of plastic or glass bottles?

Answer:

(1)Multi layer laminated materials can keep goods shelf life longer.

(2)Less space to store and save the transportation cost.
